

# **CUSABO SCHOLARS**

**Cusabo Scholars is an afterschool mentoring program partnered with the College of Charleston. Started as a part of the Cusabo Lacrosse league, it is focused on the personal, physical, and academic development of each student. Each day at Mitchell Elementary is divided into play and studies. Students learn new sport skills from trained instructors in the first half of the afternoon, and during the second half, each student will work closely with her or his CofC mentor on schoolwork. Throughout the semester, students will also take field trips to CofC's campus and hear speakers from the College.**
